Unstrung Racquets changes home court

Submitted by Luisa Cox

After a 15-year tennis relationship, Unstrung Racquets said goodbye to the courts at the Radisson Resort. Upscale condos will soon replace the Scottsdale landmark.

On March 19, Unstrung Racquets played their last tournament on the grounds of the resort. It was a mixed doubles "lady's choice" format with 40 participants. In spite of the

cloudy sky and breezy conditions, the tennis was excellent and the camaraderie was great. A successful party followed at Coco's Resort offering international cuisine served with French flair by the hostess, Coco, Unstrung's official Parisienne.

Now Unstrung Racquets is ready to begin playing tennis at their two new locations!

Welcome to La Camarilla Tennis & Fitness Club, 5320 E.

Shea Blvd., for Friday evening play from 7 to 9 p.m. and Scottsdale Ranch Park, 10400 E. Via Linda, 3 - 5 p.m. Sundays — Unstrung Racquets' new home courts. As the temperature rises, playtime will be changed to evening hours. Call our voice messaging center for summer hours: (480) 596-1424 or visit www.unstrungracquets.com

Every Saturday morning from 9 to 10:30 a.m., members have the opportunity to improve their

tennis game taking a clinic at the Hyatt at Gainey Ranch Courts for a nominal fee.

In addition to tennis, Unstrung Racquets members enjoy participating in many other activities. On March 4 and 5 there was an Unstrung outing to the White Mountains at the Hon-dah Resort & Casino. Some people hit the slopes at Sunrise and others the .gathered around dinner parties and had a great time.
